Disclaimer

All legal services will be performed by Oziel Law. If you are not a client of Oziel Law, you will be asked a couple of questions relating to our engagement prior to submitting this form. Our acceptance of you as a client is subject to our review of your submission and a firm conflict check.

Trademark Monitoring Services

Once your trademark has been registered it is important to monitor your trademark to ensure that no other businesses are using the same trademark as you, or a trademark that is confusingly similar to yours.

Monitoring your trademark allows you to maintain the goodwill associated with your brand and it provides you with the ability to act against possible infringements, or oppose a trademark that may be confusingly similar to yours in a timely manner, based on your legal rights as the owner of a pre-existing trademark registration.

Note, our fee is charged for each monitored trademark.

If you are unsure about your answers, don't worry! Complete this questionnaire and we will contact you directly to discuss your circumstance before advising on how to proceed.
